**FY 2026-2027 Tuition and Fees**

# Tuition and Fees

## Fiscal Year 2026-2027 University Budget Plan

---

### Executive summary

At VCU, we are committed to investing in the UNstoppable and aligning resources to advance student success, foster innovation and research that impacts lives, and strengthen the value of a VCU degree. VCU’s 2027 tuition and fee strategy, together with its overall budget, addresses mandated and inflationary costs while reflecting a strong commitment to innovative academic programming, expanded internship opportunities, and increased graduate stipends. Each year, these investments and costs are addressed by 1) ongoing budget realignments, 2) anticipated funding from the state and 3) enrollment revenue.

### Tuition and fees

VCU aligns resources to grow the value of a VCU degree and works with the Commonwealth to minimize tuition increases. From fiscal year (FY) 2020 to FY 2025, VCU’s Board of Visitors has implemented modest tuition adjustments below inflation (CPI 3.9%, HEPI 3.5%, VCU 2.34%), with 0% increases in FY 2020, FY 2021 and FY 2022.

In FY 2027, VCU continues to face significant cost increases in military tuition waivers, state-mandated salary increases, technology, security and service contracts. Guided by a clear, strategic direction to balance the budget and support continued student success and value, VCU proposes a 3.9% tuition increase in FY 2027 along with reductions and realignments.

Tuition and fee revenues will support the expansion of student internships and experiential learning opportunities, including initiatives like Every Ram’s a Researcher. These funds will also be used to increase graduate stipends and invest in the growth and development of in-demand academic programs.

	<b><u>Resident increase</u></b>	<b><u>Nonresident increase</u></b>
Full-time credit hour undergraduate students living in private housing (15 credits per semester)	\$723	\$723
Full-time masters students	\$739	\$739
Full-time doctoral students	\$643	\$643

- The University Fee will increase from \$2,827 to \$2,995, an increase of \$168 to support military waiver growth and state-mandated salary increases.
- The student activity fee will increase from \$110 to \$130, an increase of \$20. After 20 years of a stagnant rate, a committee was convened to review the fee and recommended an increase be incorporated over FY 2026 and FY 2027.
- The technology fee will increase \$8, from \$323 to \$331, to address inflationary costs.

### **Housing and dining**

- The standard double occupancy room rate will increase by \$441. Rates for all housing options are summarized beginning on page 17.
- The rate for 200 swipes per semester will increase by \$320 for the academic year. Rates for all meal plans are summarized on page 19.

### **First professional tuition and fees**

First professional tuition and fee increases are summarized as follows:

- Tuition and mandatory fees for medicine first professional students will increase by 1.6% or \$638 for residents, and \$951 or 1.4% for nonresidents.
- Tuition and mandatory fees for dentistry first-year first professional students will increase by 3.4% or \$2,398 for residents, and 3.2% or \$3,462 for nonresidents.
- Tuition and mandatory fees for Pharm D first-year first professional students will be reduced by \$5,538 for residents, or \$7,107 for nonresident.

### **Tuition and fees summary**

Overall, full-time credit hour undergraduate students living in university housing with 200 swipes per semester (15 credits per semester) will increase by \$1,484 for residents and nonresidents.

## Summary of notes applicable to Tuition and Fee tables

- The Tuition and Fees section reflects all charges in dollars.
- Calculation of annual undergraduate tuition assumes 15 credit hours per semester; 30 credit hours for the fall and spring semesters, although 12 credits per semester (24 credits per year) is considered full-time. Tuition will depend on the number of credit hours taken.
- Course overload fee: Full-time graduate students are also charged at the part-time per credit hour rate for each additional hour exceeding 15 credit hours per semester in which the student is enrolled. The overload fee does not apply to students in first professional programs or other programs which specifically require the student to enroll in courses that exceed the applicable maximum number of credit hours.
- Part-time student activity fee for programs on the MCV Campus represents the total charge for the semester.
- Part-time undergraduate students enrolled in graduate courses required for their degree pay the undergraduate rate.
- Student government fee rates are applicable to the total summer session.
- Students designated as “off-campus” do not pay a student activity fee, University Fee, student health fee, or capital outlay fees.

In addition to the tuition and fee charges identified, the president or his designee(s) may set tuition and fee charges for courses offered by the university. The rates shall be consistent with the university’s mission, the overall tuition and fee schedule, and state requirements.

#### Course Overload Fee

Full-time graduate students are also charged at the part-time per credit hour rate for each additional hour exceeding 15 credit hours per semester in which the student is enrolled.

Students enrolled in overload courses are charged the additional per credit hour amount for tuition. The overload fee does not apply to students in first professional programs or other programs which specifically require the student to enroll in courses that exceed the applicable maximum number of credit hours.

#### Course Overload Fee

Full-time graduate students are also charged at the part-time per credit hour rate for each additional hour exceeding 15 credit hours per semester in which the student is enrolled.

Students enrolled in overload courses are charged the additional per credit hour amount for tuition. The overload fee does not apply to students in first professional programs or other programs which specifically require the student to enroll in courses that exceed the applicable maximum number of credit hours.
